

VIKING BASEBALL ASSOCIATION

2022 Sign-Up Form

What is VBA?

The Viking Baseball Association is dedicated to the promotion and sponsorship of youth baseball in the Cadillac area, and its principal purposes are to (a) provide development opportunities for youth to participate in baseball, (b) teach the technique and necessary for success in baseball, (c) promote sportsmanship and character development, (d) develop physical fitness and mental toughness, and (d) to provide for an enjoyable, safe, and competitive experience.

**VBA is not affiliated with any other local organization.*

**VBA intends to be a feeder program for Cadillac High School baseball. **

When do we practice and where do we play?

We offer optional weekly skills sessions in winter and spring (Jan-April). Starting in April, we practice twice a week. Players will start Little League games in May. We play weekly games and weekend tournaments (2-4 weekends depending on age level).

Who can play and how much does it cost?

This year we plan to have an 8U, 10U, 12U, and 14U teams. A player's age is determined by their age on May 31st, 2022. The cost will be \$100, which doesn't include Little League fees. We also require players to participate in fundraising efforts for us to cover expenses. *Players must either attend CAPS Schools, live in the CAPS district, or have permission from the VBA Board in order to play. Generally, players from neighboring towns will only be allowed to play if we cannot fill out a team with Cadillac players.*

What does my child need to play?

Players will need their own bat, glove, cleats, helmet and grey baseball pants for games.

How do we sign-up?

The sign-up form is on the back of this paper. However, *we strongly prefer you sign-up using the online form online at www.vikingbaseball.org and then mail in your check.* Payment plans are available. Registration will close on March 1st, 2022
